Dear Parents and carers,

WE NEED YOU!!!

We are trialling an exciting **STEAM unit in Stage 3 next Term** and joining up with **Oz Harvest**.

In this unit our students will investigate food waste through cooking and exploring recipes.

To do this we really need some extra volunteers in our STEAM room.

No special skills are needed, just enthusiasm to help our students navigate some simple cooking tasks.

Your child does not have to be in Stage 3 for you to volunteer.

Our classes are 2 hours long and below are the dates and times that I would love some help.
