**Years 3 – 6 Payment Package, 2020**

Dear Parents and Caregivers

**Voluntary Contributions:** This fee covers the full year and is invoiced in Term 1. It allows schools additional funds to access extra resources and learning experiences for students.

**IT Levy:** As a major upgrade of the school's IT, a levy has been included to assist with the costs. The levy has the full support of the P & C. This fee has also been invoiced for the full year.

You can pay online by clicking '**\$ Make a payment**' link located in the utility bar on the front page of the school's website. You will then be directed to a secure Westpac payment page. Items marked with an asterisk \* are mandatory. All details need to be completed so that the school is able to identify the student and importantly, what the payment relates to. Personal details and payment card details are not retained within the payment system and will therefore need to be entered each time a payment is made. If paying for multiple students, you will need to enter each student separately by selecting "Make Another Payment" option. You can also click on the link provided at the time the invoice is emailed to you.

**Payment for an activity or excursion does not constitute permission to participate.** Please follow the Online Payment Instructions detailed beside each Payment Item below to complete payments online. If you choose to pay the full amount, then you will not be required to enter each individual payment.

If preferred, cheques and cash are still accepted and need to be placed in a clearly marked envelope. Students are to hand their payments to their classroom teachers after morning assembly.
