Congratulations to all students who attended the Zone Cross Country Carnival. From all accounts the day was a fantastic success with even the weather being perfect.

More news and results will be coming soon. Special thanks also to Mrs Elena Albanakis, Mrs Edwina MacDougall and Ms Caitlin Barker for their support of the students.

Walk To School Safely Friday 23 May

Walk Safely to School Day (WSTSD) is an annual, national event when all Primary School children are encouraged to walk and commute safely to school.

Walk Safely to School Day asks that we all consider our transport habits and try to incorporate more walking as

part of a healthy, active way to get around. And although walking all the way to school isn't realistic for many of us, it's quite easy to figure out how you can build a walk into your family's daily routine.

You can teach your child the healthy habit of walking more by:

- Walking with them the whole way to school
- If they get the bus or train, walk past your usual stop and get on at the next stop
- If you have to drive, park the car a few blocks away from the school and walk the rest of the way.

Regular exercise like walking with your child not only helps them (and you!) beat chronic problems like obesity, heart disease, behavioural and mental health issues and diabetes. It also gives you a great opportunity to teach your child safe ways to behave around roads and traffic.

Remember, Active Kids are Healthy Kids so get planning your own Walk Safely to School Day journey for Friday 23 May 2014! For more information, visit www.walk.com.au

Pedestrian Safety Campaign

Please take a moment to consider the recently launched pedestrian safety awareness campaign.

It is in response to the veritable epidemic of pedestrians using electronic mobile devices when crossing the road.

It's entitled: DON'T TUNE OUT - STOP LOOK LISTEN THINK! We believe it speaks for itself.

Great Choir Performances at Festival 2044

Congratulations to all involved in the choir performances at Festival 2044 last Sunday. The choirs looked great and sounded even better, with the audience greatly appreciating their efforts and skill.

OTHER SCHOOL NEWS

Reforms to P&C Federation

The NSW Parliament has introduced legislation to reform the NSW Federation of Parent and Citizens Associations, which has suspended operation pending Supreme Court action. While these reforms will not affect the day-to-day operation of individual school P&Cs, they will introduce a new executive structure which will ensure the Federation operates as a modern and representative body on behalf of school P&C Associations.

Each school's P&C Association will be asked to vote for councillors and delegates who will represent their electorate at the Federation's Annual General Meeting and councillors who will serve on the Federation's Board of Management. More information will be available on the Department's website at
