

EARLY STAGE 1 OVERVIEW

Welcome to Term 2

Dear Parents and Carers,

Welcome to Term 2. Here is an overview of the learning that will occur this term.

Please get in touch with us on Class Dojo or via the front office if you require further information. Remember also to check out our school website and social media accounts to keep up to date with all things Tempe PS.

HOMEWORK

Decodable Home Readers

-Students read these daily and return to school every day.

-Begins later in the term.

LIBRARY & CAPA

K SYMMETRY
K RECTANGLE
K PENTAGON

THURSDAY
WEDNESDAY
WEDNESDAY

Vanessa Przinova
K Pentagon
Room 16

Louise Ryan
K Rectangle
Room 15

Elena Albanakis
K Rectangle
Room 15

Melissa Spelta
K Symmetry
Room 1

WHAT ARE WE LEARNING?

English

We will continue to introduce new graphemes (letters) and phonemes (sounds) that have been learned during phonics instruction. By the end of this term, students will have been explicitly taught all of the single sounds and this will lead into digraphs in Term 3. This coincides with the Decodable readers that children use in class and at home.

We will continue to implement the new English Syllabus by using the DET sample units that focus on learning about and enjoying literature through the study of quality texts.

Mathematics

The content areas of Number and Algebra, Measurement and Space, and Statistics and Probability will continue to be taught this term.

We will continue to implement the new Maths Syllabus by using the DET sample units that take a 'connectionist' approach that reflects the 'big ideas' of Mathematics in the early years of school.

Science & Technology

The topic this term will be 'Living Things'. Students will make observations of living and non living things. They will determine what living things can do and what they need to survive.

Geography

The topic this term will be from the 'People Live in Places' strand. Students will explore the places they live in and belong to. They will develop an understanding of what makes a place special for different people.

PDHPE

Personal Development: Positive Behaviour for Learning (PBL) lessons will be taught with our PBL buddy classes.

Health: Drug Education

Physical Education: Fitness and sport groups will be focusing on fundamental movement skills.
